About Us

Magadh Panthor Cricket Club

Our Objective

We offer a range of coaching courses for children of various age groups through daily and weekly sessions, along with special courses during school holidays. Our exhaustive cricket curriculum aims to develop every aspect of the game, build on existing talent, and create future cricketing stars.

Experts advice

We hold regular visits and talks by cricket experts and players, who share their fitness mantra and success stories, provide technical knowledge in bowling, batting and fielding, while, motivating the young minds to achieve their dreams.

Our Development Programs

Our students receive extensive coaching and training sessions to develop every aspect of the game – starting from increasing fitness level through strength and conditioning training to perfecting skills and expertise areas through one-on-one coaching sessions. Our regular morning and evening sessions, along with evening session under flood lights help provide different cricketing atmosphere to the young cricketer.

Academy Overview

- Provides holistic development programs for aspiring cricketers of various age groups.
- Focuses on physical development through various international standard sporting facilities, together with an indoor swimming pool.
- Nurtures mental strength and wellness through guided supervision by experts.
- Analyses skills and talents of players through regular match analysis and other techniques.
- Provides opportunity to interact and play matches with national and international level players.
- Provides quality cricket expertise and innovative coaching by National and International players.
- Interactive sessions by Asad Shahin (Coach - Gaya District Coach) and other international cricketers on a regular basis.
- We do offer hostel facility along with cricket coaching courses.
